

Message Flow Details

MM00240 - Notification of Meter Operator, Supplier and Metering Assets installed / removed by the MOP to the MAP

Market Message Information

Market Message Reference	MM00240
MM Description	Notification to the MAP of any change to relevant MOP appointments, Supplier registration and Meter Assets.
Local Catalogue Reference	D0303
Version	002
Notes	The optionality of the MPAN Address and MAP contract details will be determined by the MAP in the bilateral agreement between the MAP and MOP or the agreement between the MAP and the Supplier as appropriate in the circumstances. In addition to the mandatory scenarios when this flow must be sent, it may also be used by bilateral agreement when the MPAN Address and / or MAP contract details have changed.

Commented [SJ1]: IR7 Update - to reflect the version increment based on the structural change to the flow
Deleted: 1
