Q1. The previous open letters included the dates - how are these going to be notified / the timeline for the progression of the change proposal?

In the first instance, Ofgem will include a set of indicative timelines in the Cross Code Advisory Group (CCAG) slide pack for the July meeting.

These dates will likely also appear in the August pack.

Provided the CCAG baselines the legal text in August, the dates will be included within in the Headline Report from that meeting.
